Alliance Financing Group

# Referral Partner Dashboard Overview

Your complete guide to maximizing referral opportunities

alliancefinancing.ai/dashboard | March 2026

# Your Dashboard at a Glance

Five pages designed to streamline your referral business

### Notifications

Activity feed for referrals, vendor updates, and alerts

### Dashboard

Pipeline metrics, deal tracking, and commissions

### Application Hub

Send applications, share landing pages and one-pagers

### Vendor Programs

Vendor outreach leads and active vendor management

### Help & Resources

Support contacts, guides, and reference materials

Access your dashboard anytime at alliancefinancing.ai/dashboard using your partner credentials.

# Key Dashboard Metrics

Track your performance with real-time statistics

### Active Pipeline

Total value of all active referrals in your pipeline

### Projected Fees

Estimated earnings from your current pipeline

### Funded

Closed fees and total funded deal volume

### Your Network

Active vendors and referral partners

# Workflow 1: Refer a Client

From application to funded deal

**1**

### Application Hub

Navigate to Application Hub and choose your sending method

→

**2**

### Send Application

Share via landing page link, one-pager, or direct email

→

**3**

### Client Applies

Client fills out the application — you're notified

→

**4**

### Track Progress

Monitor deal status on your Dashboard referral table

→

**5**

### Deal Funded

Celebrate! Commission earned when the deal closes

> Your referral slug is embedded in all links automatically — you always get credit for your referrals.

# Application Hub Tools

Everything you need to share opportunities with clients and vendors

### Landing Page

Personalized page with your contact info.
Share the link and clients apply directly.

### MCA One-Pager

Professional MCA financing overview.
View, download PDF, or email to prospects.

### Vendor Leasing One-Pager

Equipment leasing program overview.
Inquiries feed into Vendor Outreach.

### Send Application

Email application directly to a client
with a custom message.

# Workflow 2: Generate Vendor Leads

Build your vendor network through the leasing program

1. **Open Application Hub**
   Find the Vendor Equipment Leasing Program section
2. **Share the One-Pager**
   View it, download as PDF, or email directly to vendor
3. **Vendor Submits Inquiry**
   Their inquiry appears in your Vendor Outreach pipeline
4. **Admin Reviews & Sets Up**
   Admin creates vendor program and sends application
5. **Vendor Approved**
   Vendor moves to your Active Vendors list

## Vendor Pipeline Flow

**Vendor Outreach**
Inquiry leads from your leasing one-pager

**Active Vendors**
Your submitted and approved vendors

**Partner Vendors**
Network-wide vendor programs available to you

# Workflow 3: Submit a Vendor Directly

Skip outreach — add vendors to the Alliance network yourself

1. **Navigate to Vendor Programs**
   Open the page
2. **Click '+ Submit Vendor'**
   Opens the form
3. **Fill In Vendor Details**
   Name, product, contact
4. **Send Application (Optional)**
   Email form to vendor
5. **Track in Active Vendors**
   Monitor status

New vendors start with 'Requires Approval' status. Admin reviews and approves before they become active in the network.

# Staying Informed: Notifications

Real-time updates on all your referral and vendor activity

### New Referral

When a client applies through your link

### Status Update

When a deal moves to a new stage

### Deal Funded

When a referred deal successfully funds

### Vendor Inquiry

When a vendor responds to your leasing program

### Vendor App Done

When a vendor returns their application

### Commission Earned

When funding completes and commission is calculated

# Referral Status Guide

Understanding your deal pipeline stages

### Sent Out

Application sent to client, awaiting their response

### Client Applied

Client has submitted the application

### In Progress

Application is being reviewed and processed

### Needs Action

Something requires your attention

### Funded

Deal successfully funded — commission earned!

### Archived

Completed or inactive referral
