Workflow 2: Generate Vendor Leads

Build your vendor network through the leasing program

1. **Open Application Hub**
   Find the Vendor Equipment Leasing Program section
2. **Share the One-Pager**
   View it, download as PDF, or email directly to vendor
3. **Vendor Submits Inquiry**
   Their inquiry appears in your Vendor Outreach pipeline
4. **Admin Reviews & Sets Up**
   Admin creates vendor program and sends application
5. **Vendor Approved**
   Vendor moves to your Active Vendors list

Vendor Pipeline Flow

Vendor Outreach
Inquiry leads from your leasing one-pager

Active Vendors
Your submitted and approved vendors

Partner Vendors
Network-wide vendor programs available to you

Workflow 3: Submit a Vendor Directly

Skip outreach — add vendors to the Alliance network yourself

1. **Navigate to Vendor Programs**
   Open the page
2. **Click '+ Submit Vendor'**
   Opens the form
3. **Fill In Vendor Details**
   Name, product, contact
4. **Send Application (Optional)**
   Email form to vendor
5. **Track in Active Vendors**
   Monitor status

New vendors start with 'Requires Approval' status. Admin reviews and approves before they become active in the network.
